A BETTER PLAN FOR AFGHAN PEACE

NAME	EMAIL	ZIP

1. **De-escalate troop levels in Afghanistan** and to reject the idea that there is a military solution to the region's problems;

2. **Immediately stop military activities that indiscriminately impact civilians** such as air and drone strikes;

3. **Rapidly withdraw U.S. troops from Afghanistan**;

4. **Commit to negotiated diplomatic talks** involving all major regional players, including major international peace-keeping bodies; and,

5. **Address the real needs of Afghans**, which include health-care, clean water, education, and security.
