Dear Rep. \_\_\_\_\_,

I urge you to sign Peace Action's Pledge for a New Foreign Policy. The Bush doctrine of unilateral policy and pre-emptive attacks is destabilizing the globe and further threatening the safety of Iraqis and Americans alike. It is critical that Congress advocate for a foreign policy based on nuclear disarmament, international cooperation, and human rights and democracy if we are to improve the safety and lives of Americans and people throughout the world.

**I urge you to stop an invasion of Iraq and to lead the US toward a better future by signing the Pledge for a New Foreign Policy.**

Sincerely,
