

AT PEACE ACTION WE BELIEVE... THAT WAR IS NOT A SUITABLE RESPONSE TO CONFLICT;

CONNECTING THE GRASSROOTS

We are a 50 year old organization with members and activists stretching across generations.

With 27 regional affiliates and 100 chapters nationwide, we have the largest membership of any peace group in the United States.

Peace Action works with dozens of allied organizations in Washington and in your community.

Our community organizers tour the country providing training, voter mobilization, and support for activists.

THAT PROTECTING AMERICA MEANS PROVIDING FOR AMERICANS; AND,

BRINGING YOUR VOICE TO POWER

We work to end the occupation in Iraq; prevent war with Iran; and, promote nuclear weapons abolition.

Congressional Education Days, organized by Peace Action, help you to get on message and in the offices of Congressional Representatives.

Our affiliates and chapters around the country organize in-district visits whenever Congress is out of session.

The information we provide helps you stay informed and politically effective.

Protests and direct actions, organized with national coalitions, connect you with other activists and show the strength of our movement.

THAT EVERY PERSON HAS THE RIGHT TO LIVE WITHOUT THE THREAT OF NUCLEAR WEAPONS.
